Dear TBGA Awardee:

Congratulations! Enclosed is a certificate honoring you for helping to promote ethical hunting and sound habitat and wildlife management in Texas. We hope that you will proudly display this award of recognition from the Official Statewide Hunting Program of Texas, letting others know that you are one of a select group.

Celebrating our 22nd year, the Texas Big Game Awards (TBGA) program continues to be the leader in celebrating our state's strong hunting heritage and understating the roles that hunters and private landowners play in the great wildlife resources we enjoy today.

Also, if you value the future of hunting in Texas, then you need to become a member of the Texas Wildlife Association (TWA). TWA was organized to serve as an advocate for the benefit of wildlife and for the rights of wildlife managers, landowners, and hunters in educational, scientific, political, regulatory, legal, and legislative arenas.

TWA is absolutely dedicated to educating all persons, especially the youth of Texas, about the conservation, management and enhancement of wildlife and wildlife habitat on private land to ensure the preservation of our cherished rural heritage for future generations. Visit the TWA website at www.texas-wildlife.org for more information or call (800) TEX-WILD to receive a magazine and information.

Let us congratulate you once again and express our ongoing appreciation for your contribution to the heritage of hunting and land stewardship. Thanks to you and others like you, the future of wildlife in Texas is in good hands.

Sincerely,

Justin Dreibelbis
Hunting Heritage Program Director
Texas Wildlife Association
